Hsbc Summer Internship Junior Data Analyst Apprenticeship 2025

Description

HSBC is one of the world's largest banking and financial services organizations. They are currently looking for bright, ambitious and tech-savvy individuals to join their team as a Junior Data Analyst Apprentice in Redditch. As a Junior Data Analyst Apprentice, you will gain valuable experience in the banking industry, while also building the foundation for a successful career in data analysis.

Responsibilities

As a Junior Data Analyst Apprentice at HSBC, you will be responsible for analyzing data and providing insights that will help drive business decisions. Your responsibilities will include data entry, data analysis, and creating reports. You will work alongside a team of experienced data analysts, who will provide guidance and mentorship as you develop your skills.

Qualifications

To be considered for this opportunity, you must have a passion for data analysis and an eagerness to learn. You should have completed your A-levels or equivalent and achieved at least a grade C or above in maths. Strong communication and interpersonal skills are essential, as you will be working closely with your team members and stakeholders.

Job Benefits

The HSBC Summer Internship Junior Data Analyst Apprenticeship 2023 in Redditch offers a unique opportunity to gain practical experience in the banking industry. You will receive comprehensive training, which will help you develop your skills in data analysis, as well as communication and interpersonal skills. You will also receive a competitive salary and benefits package.
