National Geographic Studios Internship Disney World Summer Internship's 2025

Description

Are you a fan of nature documentaries and fascinated by the world around you? Do you dream of being part of the team that creates amazing content for National Geographic? If yes, then the National Geographic Studios Internship in Washington, DC is the perfect opportunity for you!

Responsibilities

As an intern at National Geographic Studios, you will have the opportunity to work with a talented team of professionals in various areas of the production process, including research, writing, filming, and editing. You will support the team in creating engaging and informative content for the National Geographic audience. Responsibilities may include conducting research, transcribing interviews, assisting with production logistics, assisting with field production, and editing content.

Qualifications

To be eligible for the National Geographic Studios Internship, candidates must be currently enrolled in a degree program related to film, television, or media production. Ideal candidates should have strong research, writing, and communication skills, as well as experience with video editing software. Familiarity with National Geographic content and the ability to work in a fast-paced environment is a plus.

Job Benefits

The National Geographic Studios Internship provides a unique opportunity to work with a talented team of professionals in the media production industry. As an intern, you will gain valuable experience in research, writing, filming, and editing, and have the opportunity to network with industry professionals. Additionally, Disney World Internship's offer an immersive learning experience that can further enhance your skills and provide networking opportunities.
